General Helpful Vocab

Field trip = **Viaje de estudios**

Next week = **La próxima semana**

Dress appropriately for the weather = **Vístete apropiadamente para el clima**

We will meet you at the park = **Nos vemos en el parque**

Park = **Parque**

5 senses = **Cinco sentidos**

To listen = **Escuchar**

To see = **Ver**

To touch = **Tocar**

To taste = **Probar**

To smell = **Oler**

Trail/way = **El camino** (Stay on the trail = **Mantente en el camino**)

Boundaries = **Límites** (Stay within the boundaries = **Mantente entre los límites**)

Nature Based STEM: Ecosystems

Ecosystem = **Ecosistema**

Biodiversity = **Biodiversidad**

Living things = **Cosas vivas**

Non-living things = **Cosas no vivas**

Habitat = **Hábitat**

Health = **Salud**

Environment = **Medio ambiente**

Nature = **Naturaleza**

Plants = **Plantas**

Animals = **Animales**

Interactions = **Interacciones**

Connected = **Conectado/a**

Photosynthesis = **Fotosíntesis**

Pre-Visit Specific Vocab:

Food chain = **Cadena de comida**

Food web = **Cadena alimentaria**

Energy = **Energía**

Producer = **Productor/a**

Consumer = **Consumidor/a**

Nutrients = **Nutrientes**

Breakfast = **Desayuno**

Field Trip Specific Vocab:

Stream = **Corriente / Río**

Wetland = **Humedal**

Forest = **Bosque**

Meadow = **Prado**

Farm = **Granja**

Wildlife = **Fauna silvestre**

Scavenger hunt = **Búsqueda de tesoros**

Boundaries = **Límites** (Stay within the boundaries = **Mantente entre los límites**)

Trout nursery = **Vivero de truchas**

Fish = **Pez** (pl. **Peces**)

Animal behaviors = **Comportamientos animales**

Something beautiful = **Algo hermoso**

Something surprising = **Algo sorprendente**

Nature Based STEM: Watersheds

Water = **Agua**

Watershed = **Cuenca**

Hills = **Los colinas**

Ridges = **Las crestas**

Streams = **Los corrientes**

Lakes = **Los lagos**

Rivers = **Los ríos**

Mountains = **Las montañas**

Groundwater = **Agua subterránea**

Headwater = **Cabecera**

Model = **Modelo** (We're going to make a model = **Vamos a hacer un modelo**)

Rain = **Lluvia** (Rain event = **Evento de lluvia**)

Flow = **El flujo** (Which way does the water flow? = **¿En qué dirección fluye el agua?**)

Collect = **Acumular** (Where does the water collect? = **¿Dónde se acumula el agua?**)

Local community = **Comunidad local**

School = **Escuela** (Where is your school on the map? = **¿Dónde está tu escuela en el mapa?**)

Water cycle = **Ciclo del agua**

Condensation = **Condensación**

Evaporation = **Evaporación**

Precipitation = **Precipitación**
